

### From the Leadership Team

#### Student Successes in Sport

I would like to congratulate the following students whose recent successful participation in SAPSASA carnivals have led to nominations for the following championship.

**Annalise Ellis** has been nominated for the Netball - 12 years and under Team to participate at a School Sport Australia Championship.

**Samuel Fuss** has been nominated for the Netball - 12 years and under Team to participate at a School Sport Australia Championship.

**Brodie Russ** has been nominated for the Cross Country - 10-19 years Team to participate at a School Sport Australia Championship, Well done Annalise, Samuel and Brodie!

#### Concerts and Canteen

Please note the canteen is open every night when our concerts are on. Families are welcome to purchase a meal deal of a pie, pasty or hot dog, hot chips and water from the canteen for the great price of \$7. A full Concert menu will be out next week. Please check out all that is on offer and support our school canteen!

#### Car Park Reminders

Can I please remind all members of community that parking on site is no longer allowed, unless you have a parking permit.

I was very disappointed to see cars, yesterday after school, parked outside of the designated areas in the 'Kiss and Drop Zone', which makes it impossible to turn and therefore blocks the traffic flow.

Once again I urge all members of our school community to follow the rules and take care in and around the school for the safety of all.

#### Reading Update - The Premier's Reading Challenge

The Premier's Reading Challenge is a literacy engagement program that was introduced in 2004 to:

- Encourage students to read more books and enjoy reading, and to
- Improve literacy levels.

All students from Reception to Year 12 are encouraged to participate.

Students can read a combination of books from the Challenge booklists and books of their own choosing. Students can choose to read books in languages other than English.

Reception to Year 7 students select at least 8 books from the booklists on the Premier's Reading Challenge website and 4 books of their own choice. Books in our school library are also clearly labelled as inclusive books for each year level. Students who complete the Challenge receive awards for their achievements:

**Certificate – First year, Bronze Medal – Second year, Silver Medal – Third year, Gold Medal – Fourth year, Champion Medal – Fifth year, Legend Medal – Sixth year, Hall of Fame Medal – Seventh year, Reader for Life – Eighth year, Reader for Life Bronze – Ninth year, Reader for Life Silver – Tenth year, Reader for Life Gold – Eleventh year, Reader for Life Champion – Twelfth year, Reader for Life Legend – Thirteenth year, and Reader for Life Hall of Fame – Fourteenth year.**

## presented by Mrs H

Music is a language that doesn't speak in words. It speaks in emotions, and if it's in the bones, it's in the bones.' *Keith Richards*

### Junior Primary Classes:

Our chant lately has been about goats, and we have learnt that a nanny goat is a girl goat and a billy goat is a boy goat. Some classes have tried working out the rhythms to the chant themselves, recognising the Kodaly rhythms of 'Ta' and 'Titi'. Some classes had their celebration lesson, where they played musical games with bowling pins and Connect 4. Lots of smiles were had and a lot of students practiced their musical knowledge while playing.

### Middle Primary Classes:

All classes practiced the concert finale dance. These classes need to know 2 dances for the finale act. Some classes had their celebration lesson and completed a Kahoots quiz on their iPads testing some of their musical knowledge. Other classes participated in learning centres and Seesaw Activities labelling Kodaly rhythms independently.

### Upper Primary Classes:

Most classes worked on their concert finale video where they had to act and make different sounds that matched part of our concert song. We were lucky with the weather and was able to finish all the classes. Stay tuned for concert night! One class had their celebration lesson, where they participated in a music quiz on the iPads and the other class continued with their Bucket Drumming Project.

### Wakakirri:

We had Uncle Moogy and some of his dancers come and work with some of our students again to make our performance more authentic.

## THANK YOU PLAYGROUP!

Playgroup kids, mums and even some ex epps girls had fun helping to stick the earm and learn stickers in booklets for the school.

## Year 3/4/5 Soccer Tournament Information

On Friday 21<sup>st</sup> June, Year 3/4/5 students have an opportunity to participate in a day long Soccer Tournament managed by the School Captains and myself (Mr Waller). Over the last three weeks, we have discussed the day, practised the skills and learnt the basic rules of soccer. Students have signed up to play organised teams.

On Friday 21<sup>st</sup> students will wear a borrowed 'Epps colour top' to distinguish each team. **All players must have long socks and shin pads.** Shin pads can be borrowed from Room 6. **NO SOCCER BOOTS** are to be worn on the day.

**Students need long socks**

**No soccer boots are allowed**

The first game starts at 9:30am and parents are welcome to watch the games. Our grand final games will run after the 1:45pm lunch bell. The canteen is putting on a "special soccer player lunch order". **This is a pre-order, and needs to be back to the canteen by Tuesday 18<sup>th</sup>.** Notes have been handed out last week. Spare forms can be collected from the canteen.

As the games are onsite, no permission form needs to be signed. If your child is in Year 3/4 or 5 and has not selected to play then arrangements have been made for your child to be placed into another classroom for the day (in the upstairs classrooms). If you have any other questions about the day, please drop by Room 6 and ask me.

## The Captain's Corner

Last week a School Captain project from last term was finished as a new path from the hall to Room 34 in the GLA was completed.

As the teacher leader of the School Captains I would like to say how proud I am of each Captain's thoughts, planning and overall

communication with students, staff members and Ms Frost throughout this project. The path looks like a great edition to that area.

On Friday 21<sup>st</sup> June, the School Captain team will manage/run the Year 3/4/5 Soccer Tournament as part of their Term 2 projects. Each Captain will complete one of the following roles, umpire games, run the music and timekeeping or coach one of the 12 teams playing. The planning for the day is going great with all students excited for the opportunity to support younger students of our school.
