

From the Leadership Team

Thursday night's concert commenced with the Senior Choir whose beautiful voices entertained the packed audience.

The first class item was from Room 21. Their colourful performance 'I am a pizza' was full of fun and my favourite sometimes food!

The next class item was from Room 17 who told the story 'Giraffes Can't Dance'. The jungle animals did some lively dancing. Their performance also had a message that we all have our strengths!

Room 14 was next. I commend the Year 4 students for their acting, dance and leadership in telling this poignant story.

The final class item from Room 1 was an innovative and creative '20 to 1' of Australian Inventions.

Thank you to Jenny Scaffidi, Rachel Askins, Elissa D'Allocco, and Rosalie Erkelenz for all their work to enable their students to have a successful concert.

Thank you to our 'Front of Curtain Acts', Isobel, Addison, Catherine, Ashlyn and Hollie. We all enjoyed the music, dance and comedy of these creative individual items.

Thank you to Aimie Menzel for her work with the Senior Choir and for the collaborative and energetic concert finale.

Thank you to Corey, David, Keira and Tahlia our four concert compères and Bailey and Markus our curtain pullers.

Thank you also, to our Governing Councillors Fiona and Kylie for helping to sell admission tickets. Once again I enjoyed watching the faces of our students, their acting, dancing and singing and their collaboration with classmates and teacher to show their learning and skills in a very real and authentic way.

THOUGHT FOR THE DAY
Don't wait, the time will never be just right.

Hello everyone,
Concert three was another outstanding night of performances.

Starting with the EPPS Rock Band. All members of the band contributed to an excellent demonstration of the result of hard work and collaboration. The members of the band consisted of Ariaah, Keira, Aliyah, Bailey, Tahlia, Maddy, Talisha and Kyann. Congratulations to those who supported the students in their lead up to Tuesday night.

We had four classes perform on the night. The first class on stage were the Room 25 and 26 Fire fighters. Their smiles, energy and general sense of fun made them a pleasure to watch and I think the crowd appreciated the efforts of Mrs Furnell and Mrs Brown to get fifty 5 and 6 year olds on stage to perform..

The second class to perform was Room 12 with a dance. I was informed after the night that a group of students from Room 12 were responsible for the choreography of the entire performance which for me made it all the more impressive. Well done Room 12.

The third class to perform were Room 3 with their 'Boom Whackers'. The amount of practise required to perform the way they did in teams of up to eight was very impressive and a credit to themselves and their teacher, Ms Collins. They had to rely not only on remembering their own part, but had to trust their classmates memory as well. Well done Room 3.

The final class to perform was Room 34. In true GLA style they did not disappoint. As the oldest students in the school, they take on the added pressure of student leaders. Their performance was strong, engaging, powerful and a just and true demonstration of how much time and effort goes into each and every performance. Well done Room 34.

We had four front of curtain acts on Tuesday night. Three vocal performances and one instrumental. Harry Cook on keyboard played two of the most recognisable tunes in Cinema history, the Star Wars Theme and the Storm Troopers Theme. Anna Cook brought the house down with her rendition of Tomorrow from the movie Annie. Sophia D'Sylva performed her solo with courage and composure. I know Sophia was a little nervous leading in to her performance, however it didn't show. Finally, Maddi O'Loughlin finished the front of curtain acts with a solo performance. Maddi has certainly grown as a performer over last few years and as a leader in our school.
