

From the Leadership Team

Hello everyone,

This term we are again supporting pre-service teachers as well as two social work students, by providing them with the opportunity to complete the practical requirements of their respective courses.

The two social work students, Santiago and Achol's placements will focus on supporting leshia and class teachers with the social and emotional learning program, 'Whats the Buzz'. They will be developing and delivering a bullying and harassment survey. The data from students and parents will support us to continue our work around building resilience and empowering students to speak up against bullying and harassment. Their time will also be spent working in classrooms with identified students.

Drop-off zone

Just a reminder, about morning and afternoon drop off and pick up.

Please make sure, **when dropping your child(ren) off**, they are exiting from the passenger side and you are as far forward in the zone as you can go, to allow cars behind you to move in.

When **picking your child(ren) up**, please remain in your car, and again ensure you are as far forward in the zone as possible and the children are entering on the passenger side.

Knowing how busy the area gets during the morning and afternoon, we need to minimise the risk of accidents as much as possible.

Thank you for your cooperation.

Aaron McPherson

Hello everyone,

After a great first week to the term I am looking forward to all the wonderful activities and events coming up for Term 3. I am very pleased to be in the position of Senior Leader while Ros Frost is away and am excited to get involved in many more aspects of our school community.

As part of my role this term I will be working with the student leaders at our school. I will be supporting the eight House Captains to fulfil their roles. Some responsibilities these student leaders have include; presenting at each of our assemblies, collecting and collating the positive play and house points as well as consistently being role models within the school community.

This term the Captains will also be exploring ways in which they can develop Pre Sports Day programs at our school during lunchtimes.

The eight School Ministers from our student parliament welcomed us back for Term 3 when they ran the whole school assembly last Friday. Each Minister is looking forward to meeting with class teachers and participating in class meetings, to find out what the students at EPPS would like to improve in their learning and wellbeing at school.

Each Minister this term is also working to develop a program, activity or event for the school to engage students as well as make our community even richer. Many of these will be coinciding with the upcoming events here at East Para. It has been wonderful to begin working with the school student leaders and I look forward to seeing what they are capable of this term.

School Football News

On Saturday 28th July, our Year 2/3 Football Team played another great high energy game of football. Congratulations to Kooper, Dexter, Isabella, DJ, Ethan and Rory for earning the weekly integrity award. We have two games remaining, with our last game of the season on **Saturday 11th August at 8:30am at Ingle Farm Primary School.**

Korfball Series Postponed Again

Due to the poor weather forecast for tonight and tomorrow, ***the Korfball Series again has been postponed.***

We will attempt to reschedule the event, and if so, a date will be released soon. Special Korfball canteen lunch orders will go to student's classroom.

COMMUNITY INFORMATION

Please be advised that we have a range of Parent Easy Guides and Brochures available near the Bursars Office. We also often advise support services in our newsletter. If there is any other information that you may be seeking, please see staff in the office.

BOYS COMPETITION

There is a possibility of an 'all boys' competition starting this Summer Season for boys aged 10 to 13 years old.

If anyone is interested in nominating please see Miss Collins in Room 3 or Teresa in the finance office.

THOUGHT FOR THE DAY

Every day may not be a good day
BUT there is good in every day.

Grace and Katy Perry

In April this year Grace Moores, a Year 3 student at EPPS was diagnosed with a benign brain tumor. After several operations and some long stays in hospital, Grace is slowly recovering. Grace was lucky enough to have Katy Perry visit her at home while she was here for her Adelaide concert. It was wonderful to see the big smile on Grace's face. We wish her all the best in the rest of her recovery and looking forward to having Grace back at school.

Values Awards

At EPPS, our **RITCHR** values are very important and are the basis for how we work and behave as a school community. Daily we see students at EPPS use **Respect, Integrity, Trust, Caring, Honesty** and **Responsibility**, so at assembly each week, we will acknowledge students who use these values consistently.
