Montague Partnership Basketball Carnival

Congratulations to Peter Waller, for his organisation of the first basketball carnival for primary students in our Partnership, which was held last Tuesday at the Ingle Farm Rec Centre.

Over 50 students had the opportunity to participate in the Carnival. I was impressed by their enthusiasm and sportsmanship. It was also great to see students assisting with the administration of the day, true student leadership at work!

Many thanks must go to Ali Collins and Em Huzzell who accompanied the students, and to the many parent helpers who transported students and came along to watch.

Kindy to School Transition

Thankyou to our Reception teachers Claire Brown and Gaynor Fumell for their first transition visit yesterday.

This year the new students came to the library where they were greeted by students from Ali Collins class who handed out name tags and helped the teacher walk the students to their class.

The visiting students took part in a range of oral language investigations ably assisted by the older students. It filled me with great pride to see the Year 5 students, along with the students from Rooms 25 and 26 welcome the new students and help them to have a most successful day. Student leadership in action...again!

Another transition visit will be held this Friday from 9:30-11

Many thanks to Teresa for making time to talk with the families and to Janine for her organisation of tea, coffee and homemade chocolate slice and biscuits for the families to enjoy, it was much appreciated.

Instrumental Music Night

Last night students from the Instrumental Music Program performed for their families and friends. The audience was entertained by guitarists, key board players, drummers and vocalists. The Rock Band opened and closed the night, showcasing both their individual skill and ability to collaborate and perform as a group.

It was just lovely to hear the audiences' appreciative applause and to see the smiles on the student's faces!

Thank you to our instrumental music teachers, Laura, Joel, Jay, and Sam for their teaching and support.

Many, many thanks to Sue for all her organisation passion and support of the Instrumental Music Program.

Pedal Prix

After careful deliberation and consultation Keith has reluctantly decided that the EPPS Pedal Prix team will be in 'recess' in 2019.

Keith has made plans to use 2019 to consolidate the EPPS Pedal Prix equipment in preparation for 2020.

Ros Frost

Playgroup presented Mrs Frost and Mr McPherson with some special tops they made for them for sports day. The kids were all so excited to see them wearing them.
