

### From the Leadership Team

Hello everyone,

I have noticed over last few weeks we have had a number of students not following the school dress code. While I understand with the cold and wet weather, it can be difficult to have school clothes clean and dry every day, we do have a dress code policy and there is an expectation that all students follow it.

Below is an example of the letter that your child's teacher may send home if they have noticed your child is not following the dress code and there is no communication from home explaining why.

Thank you for your support.

Aaron McPherson

### PROCEDURE for STUDENTS NOT FOLLOWING THE DRESS CODE

The school procedure for students who are not wearing the school dress code is as follows -

- Class teachers will monitor the wearing of school uniform by their students.
- Students not wearing the appropriate dress code will have the items replaced through the 'school store' for the day.
- Parents will be informed by class teachers about the requirements of the School Dress Code Policy.

### Note to Parents / Caregivers

This letter is to remind you that the East Para Primary School has a Dress Code policy. Students should wear the Dress Code every day. It has been noted that your child \_\_\_\_\_ was not in the correct Dress Code today, namely \_\_\_\_\_ (item worn).

If you have any questions about the East Para Primary School Dress Code please contact the Front Office.

Thank you

### VOLUNTEER'S MORNING TEA

Over the past several weeks the Captains and Ministers have been organising a Volunteer's Morning Tea. The morning tea was held on Wednesday 22<sup>nd</sup> August in the staffroom.

The students planned the invitations, menu, decorations and cards. Their hard work culminated in a fabulous celebration of our volunteers. A number of parents and helpers were able to attend where they were greeted and served by our student leaders. The morning was a wonderful way to say thank you to those who support our school community through activities such as reading in classrooms, attending school camps, transporting for SAPSASA and helping work on the school grounds.

From all of us here at EPPS we would love to say a huge thank you to all our volunteers past and present for the time, effort and commitment you have given to our school. It is appreciated by all staff and students for without family support and our volunteers we wouldn't be able to be involved in as many amazing events and activities as we are. We look forward to your continued support and hope you enjoyed the morning tea.

Emily Huzzell

## School Football News

Our trophies have arrived. Unfortunately the next assembly that does not land on a carnival day that I will be at is in Term 4. If any parents have an idea how we could acknowledge the team's performance to the school and get their trophies to them sooner, please email me.

Could all parents please give their child's football top a good wash and return it to school by next week. Our football trophies have been order and should hopefully be here next week. Once I have the trophies a date will be set for them to be presented at assembly.

## School SAPSASA Information

Tomorrow 46 girls will participate in the rescheduled Girls SAPSASA Netball Carnival. All girls must meet Mr Waller in Room 6 at 8:30am. Tomorrow 21 boys will participate in the rescheduled Boys Football Carnival. Could all boys meet Ms Huzzell in Room 33 at 8:20am.

## School SAPSASA Information

For each SAPSASA carnival East Para is involved in, we rely on parents to assist and help with transport of students to and from the carnival location. Therefore, for our school to participate in the carnival, we need a number of parents to assist with transporting students.

Next Thursday's girls football and boys soccer carnivals are short of the required amount of help needed. If we don't get the required assistance by Monday 27<sup>th</sup>, we will not be involved in these carnivals.

### Bedwetting is common in children and causes anxiety around the time of school camps.

Attention: The Principal

At the Bedwetting Institute® we have designed an effective program with Dr Mark Condon and Physiotherapist Margaret O'Donovan which is available on DVD. It addresses the causes of bedwetting and offers a practical and achievable method of curing the problem.

Would you please include the following notice in your next School Newsletter to help notify parents that they are not alone with this dilemma and that help is available?

#### Bedwetting

For information on all the causes of bedwetting and an outline of the treatment options available to cure the condition please see the Bedwetting Institute® website.
