2020 School Parent Engagement Survey

The 2020 School Parent Engagement Survey is open from Monday 7th to Friday 25th September 2020.

The survey is for all parents of students enrolled in a South Australian public school.

How it will work

- Parents will be sent a link (unique to our school) via email or SMS directly from the survey tool.
- All parents will be asked the same questions at each school.
- Data collected from survey responses will be provided to principals in October.

This is a new survey specifically designed to gauge how parents engage with their children's learning. The data will be given back to each school to support school improvement planning.

If you haven't yet received a link you can access the survey for EPPS via this unique link:

Thank you in anticipation of your support!

Improvement Work

Our whole site improvement work, focussed on developing all our students as 'balanced readers' and the specific development of phonemic, phonological and phonics skills is enhanced through professional learning and meetings.

In the last fortnight

- Claire and Gaynor hosted teachers from a local school. The visiting teachers observed the explicit teaching of phonics in Rooms 25 and 26 and then talked with Claire and Gaynor about their practice, data and resourcing.
- On Monday of this week Gaynor concluded her one to one workshops with teachers about how to use their phonological awareness data to inform their next steps in teaching.
- After lunch Gaynor presented to our SSOs. The workshop included
 - an overview of the importance of phonological awareness and its connection to students success with spelling and reading,
 - acknowledgement of the work of our SSOs and
 - sharing of resources for SSOs to build their knowledge.
- Claire has continued her work as part of the Montague Partnership Expert Coach in Reading Project and is now planning professional learning for all staff for Term 4.
- All Discovery Centre teachers met on Tuesday after school to discuss their phonological awareness data, their Initialit data, and their next steps in teaching. Teachers at this meeting also talked about the movement of students from decodable readers to levelled text. Well done to all involved.

Car Park

Many thanks to all members of our community for their adherence of road safety rules in and around the school.

In particular, it has been noted that parents/caregivers are parking within the white lines in the 'kiss and drop' zone. Thank you, as this makes the flow of traffic much easier for all of those who use this area.

Please note that the 'kiss and drop' zone is supervised from the end of school until 3:35pm. At the end of the supervision the teacher will ask any students still waiting if they would like to wait in the office.

If you are running late, just call the Front Office so that we can let both students and the teacher on duty know.

Materials & Services Charges 2021

Dear Parents/Caregivers,

At our next Governing Council meeting:

Date: Monday 26th October 2020
Time: 7:00 p.m.
Venue: EPPS Staff Room.

We will be discussing a proposal to set East Para Primary Material & Services Charge for 2021 at \$345.00 and for this amount to be legally recoverable as a debt.

The proposal for 2021 Material & Service Charges has increased by \$ 2.00 this is based on the 2020 June quarter Adelaide CPI indexation.

You are invited to attend this meeting and be involved in this discussion. If you are unable to attend the meeting but would like to express your views, this can be done in writing to the Chairperson of the Governing Council through the front office. Following the discussion Governing Council members will vote on the proposal.

Alongside is the Certified "Notice of Materials & Services Charges for 2021"
