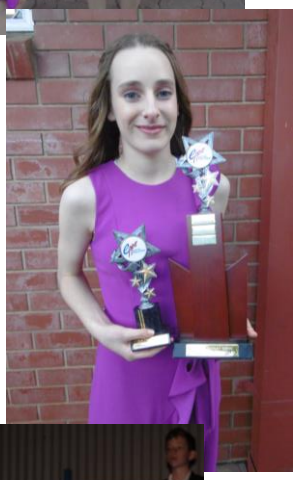
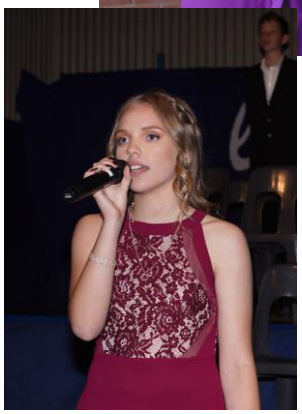
Graduation

Thursday 13th December 2018





Congratulations to our Year 7s on their Graduation from East Para Primary School.

The Year 6/7 classes in the General Learning Area (G.L.A.) really show case East Para Primary School's motto 'Engaging Learners as a community of thinkers'.

Our Year 7 teachers Em, Maddy and Miro, and specialist teachers Aimie and Karen, Eunkyoung and Pete have worked to build the knowledge and understandings of our Year 7 students

Our teachers also intentionally promote student voice in the learning task.

As a result our Year 7 students have experienced many roles other than student, including learning designers, decision makers, researchers, evaluators and teachers.

Our Year 7 students have also been advocates for 21st century learning by practising being confident, resilient and powerful learners, in a safe supportive environment, that is East Para Primary School.

East Para Primary School also offers a range of opportunities for our students to develop their skills in real and authentic ways. The Year 7 Graduation Folders clearly document the contributions our Year 7s have made to their school including Values and Peer Support, Traffic Monitors, Senior Choir, Rock Band and Wakakirri, SAPSASA and House Captains and Ministers.

The connection between our school staff and students is strong and real, a community of learners as our motto says!

Thank you to all of our Year 7 families, many of whom are leaving the school after a very long connection. Thank you for building strong home school relationships, in which open and honest communication is shared a timely manner to support teachers to truly focus their work.

Year 7s, congratulations on the completion of your primary education.

My hope for you all is that EPPS has provided you with the knowledge, skills and abilities for a successful transition to High School and that you value learning, now, through High School and beyond.

Just remember
Behind you, all your memories
Before you, all your dreams
Around you, all who love you
Within you, all you need.

Farewell

I would like to personally and professionally thank Em, Maddy and Miro for all their work and wish each one good health and happiness in 2019 and beyond.

I would like to wish all our students, families and friends good health and happiness at Christmas time and in the New Year

Regards

Aaron and Ros
